SUBLIMATION, HEATSEALING, EMBROIDERY, SCREEN PRINTING

SUBLIMATION

Sublimation printing is the process of using heat to transfer inks and dyes onto fabric allowing fully customised designs and colours.

HEATSEALING

Roseland can provide heatsealing for jersey names and numbers. Numbers come in three different sizes (6', 8' and 10'). Digits and letters are available in solid colours. Individual or team names can also be added but size varies depending on the number of letters.

EMBROIDERY

Roseland provide a full embroidery service and is available for embroidering your emblem logo or lettering onto your garments.

SCREEN PRINTING

Roseland has the ability to provide screen printing for any club merchandise on t-shirts and hoodies. Many different techniques and finishes are available for you to choose from.
